COURT USAGE POLICY

ELTC provides courts for members Social play, Competitive play and coaching opportunities.

We aim to make The Club inclusive and welcoming for all members, by spreading the chance to book courts according to the policy explained below.

ONLINE BOOKING SYSTEM

1. All courts must be booked using the MyCourts online booking system:
<https://ealingtennis.mycourts.co.uk/bookings.asp>
2. All playing partners must be entered onto the booking system.
3. Bookings may be cancelled if playing partners do not appear on the system within 24 hours of the scheduled court booking time.
4. Online court bookings can be made from midday, 7 days in advance.
5. The MyCourts booking system will implement fair usage policies with booking restrictions which are explained with friendly "error" messages.
6. Online booking fees (where applicable) vary based on the day/court/time as displayed on the booking sheets.
7. Members must have sufficient credit on their booking system accounts in order to book courts, where a fee is chargeable.
8. Members can top-up their booking system accounts online with credit/debit card transactions, which are securely processed by Stripe.
9. Booking fees can be shared using the facility to "transfer credit" to other members.
10. Members must cancel their bookings when unable to play, and must do this as soon as possible so that other members may book and use the court.
 - If the cancellation is made more than 48 hours prior, the booking fee will automatically be refunded to the booker's account.
 - If a cancellation is made within 48 hours of the booking time, the booking fee is non-refundable and will be shown as a "late-cancellation" charge on the member's booking system account. However, if the same court and time is rebooked by another member, this late-cancellation charge is automatically refunded to the original booker, as a system credit.
11. If a member does not take up their bookings on a regular basis, they may have their ability to book courts suspended.
12. Members can only book and play in a maximum of 3 x 30-minute slots per day.
13. We ask (but do not insist) that members play singles in 60-minute slots and doubles in 90-minute slots.
